with other players and use items, equipment, and magic to create their own style of play. "Tome of Pilled is a game made for Nintendo fans. We have made sure to create a game that reflects the great expectations of Switch owners. We have completely rebuilt our graphics engine to create fantastic visuals that match the quality of all the Switch games. We hope that Switch owners will enjoy the game as much as we enjoyed developing it." - Seungjae Park, President and CEO of Smilegate Product Features: - Vivid 3D Graphics - Rapidly loading world - Real-time battles - A large, fully-customizable world - Freely customize the look and style of your character - Battle monsters, other players, and monsters in real time online tournaments - Experience two different storylines; one linear storyline that branches out into a large open world map - Realistic graphics that reflect the Switch with natural lighting, vibrant colors

Elden Ring Features Key:

An Epic Story: Presented as a multilayered drama between two opposing "sides", each with a hero bound by the destiny of the Lands Between to take a step towards the center of the world and become an Elden Lord.

Skill-based Action: A battle system with excellent balance of combat, exploration, and character growth that facilitates the development of your character using a combination of attacks and magic

Thrilling Battles: Against enemies and bosses which present a wide variety of challenges, as well as delicately balanced skill growth, making combat an endless source of entertainment

Item System: Uses a sophisticated system to allow you to adapt items depending on your role and play style, encouraging various skill development while maintaining fun

Objects and Map: The Place of Between is vast and ever-changing. Enemies and items show up dynamically, and you can freely change the location of the dungeon and customize the environment.

This facet also promotes exploration and promotion.

Innovative Online Play: Supports Multiplayer which connects you to other players and lets you travel with them in the Lands Between, as well as a unique asynchronous online element allowing you to feel the presence of others as you enjoy your game.
